

221 Merchants Rd
Martins Creek 2420

Dear Sir/Madam

We wish to submit an
objection to the Proposed expand of
Martins Creek Quarry - Buttai Gravel Pty Ltd.

We live at the above address, just over
the mountain from the Quarry. If this
Proposal goes ahead we will be extremely
disadvantaged.

Between 2012 & 2019 we have sustained
numerous cracks in our Bathroom tiles.

The roads from Dungog to Paterson +
on to Maitland will be highly damaged, causing
Dungog Council to increase our rates.

The dust factor is another problem.
Looking from Paterson towards our area
the dust is extreme. It leaves a 'film'
on everything such as roof, guttering.

I ~~have~~ suffer asthma and hay fever, so I am
very aware of the dust factor

If this Proposal is allowed to go ahead
it will inflict a great hardship on us and
all Paterson and Martins Creek areas

Yours faithfully
Jill & Lesley Ireland
