Dear Sir or Madam

**NEW HIGH SCHOOL IN BUNGENDORE
APPLICATION NO. SSD-14394209**

I refer to the above state-significant development application.

I strongly **object** to the proposal, for the following reason(s):

- ***The loss of public amenities including the community centre and swimming pool as well as public access to Mick Shred oval.***
- ***Traffic congestion, safety issues and parking problems caused by the closure of Majara street between Turallo Terrace and the pressures caused by drop offs between the high school, primary and pre-schools.***
- ***The lack of genuine community consultation before announcing the chosen site.***
- ***Safety/suicide concerns around building a high school on a railway line.***
- ***Lead contamination at the site.***
- ***The site is not big enough to meet projected growth.***

I have not, and no associate of mine, has made any political donation to any person in the 2 years preceding this submission.

Yours faithfully,

Eleanor Gregory
