

The Secretary  
NSW Department of Planning, Industry & Environment

18 April 2022

**ATTENTION: Sally Munk**

Dear Sir or Madam

I refer to the Department's email of 12 April 2022 regarding State Significant Development Modification DA401-11-2002-i-Mod-14 Boral Berrima Cement Works for 'Solid Waste Derived Fuels & Delivery (SWDF) Increase, Delivery Variation & Site Access' at Taylor Avenue, New Berrima NSW 2577 (Lot 1 DP 582277, Lot 2 DP 774598, Lot 22 DP 582276 and Lot 100 DP 882139) in the Wingecarribee Shire Local Government Area (LGA). Submissions need to be made to the Department by no later than 27 April 2022.

Please find attached Endeavour Energy's submission which is based on the system being used for submissions to concurrence and referrals received via the NSW Planning Portal. The introduction of standard type conditions was required to keep up with the work load and expedite responses. I appreciate not all the issues in the submission may be directly or immediately relevant or significant to the Development Application. However, Endeavour Energy's preference is to alert proponents / applicants of the potential matters that may arise should development within closer proximity of the existing and/or required electricity infrastructure needed to facilitate the proposed development on or in the vicinity of the site occur.

Could you please pass on a copy of this submission to the applicant? Should you wish to discuss this matter, or have any questions, please do not hesitate to contact me or the contacts identified in Endeavour Energy's submission in relation to the various matters. Due to the high number of development application / planning proposal notifications submitted to Endeavour Energy, to ensure a response contact by email to [property.development@endeavourenergy.com.au](mailto:property.development@endeavourenergy.com.au) is preferred.

Yours faithfully
