

The Secretary
NSW Department of Planning, Industry & Environment

12 May 2022

ATTENTION: Bruce Zhang

Dear Sir or Madam

I refer to the Department's email of 10 May 2022 regarding a development application for State Significant development (SSD), including the accompanying Environmental Impact Statement (EIS), for the DHL Warehouse and Distribution Centre (SSD-36156297) and modification application and report for the Gazcorp Industrial Estate (SSD-5248-Mod-2) at 813-913 Wallgrove Road, Horsley Park (Lot 100 DP 1268340) in the Fairfield City Local Government Area (LGA). Submissions need to be made to the Department by 6 June 2022.

Please find attached Endeavour Energy's submission which is based on the system being used for submissions to concurrence and referrals for development applications and planning proposals received via the NSW Planning Portal. The introduction of standard type conditions was required to keep up with the work load and expedite responses. I appreciate not all the issues in the submission may be directly or immediately relevant or significant to the Development Applications. However, Endeavour Energy's preference is to alert proponents / applicants of the potential matters that may arise should development within closer proximity of the existing and/or required electricity infrastructure needed to facilitate the proposed development on or in the vicinity of the site occur.

Could you please pass on a copy of this submission to the applicant? Should you wish to discuss this matter, or have any questions, please do not hesitate to contact me or the contacts identified above or in Endeavour Energy's previous submissions in relation to the various matters. Due to the high number of development application / planning proposal notifications submitted to Endeavour Energy, to ensure a response contact by email to property.development@endeavourenergy.com.au is preferred.

Yours faithfully

Cornelis Duba

Development Application Specialist

Sustainability & Environment
