

Subaru Parramatta

OFFICIAL SPONSOR OF PARRAMATTA JUNIOR RUGBY LEAGUE

February 7, 2022

To Whom it May Concern,

The Parramatta Junior Rugby League (PJRL) is pleased to provide its full support to the Parramatta Eels in the development of a Centre of Excellence within the Hills Shire at Kellyville Park, Kellyville.

Having been involved in the consultation process to date, the PJRL has no doubt that the Centre of Excellence can deliver high performance outcomes while becoming an inspiring work environment and a unique sporting hub for the broader community to utilise and benefit from.

The Centre of Excellence as proposed will include best practice facilities to continue developing NRLW and NRL pathways for emerging female and male rugby league players.

In addition, the facility as a sporting hub will encourage community engagement, offer shared use of the facilities and provide education and learning opportunities that will leave a legacy for the Hills Shire community.

*The PJRL sees the Kellyville precinct as a major facility to grow the PJRL and the game overall. Its ability to combine community, elite pathways and NRL/NRLW within the one precinct will provide enormous benefit to our competitions and Clubs*

The PJRL is excited about the Parramatta Eels Centre of Excellence at Kellyville Park and look forward to the project becoming a reality for the Hills Shire community.

Yours Sincerely

Matt Brady
