Dear Sir or Madam,

I wish to express my objections about the way this Sports Stadium proposal has been happening.
 I have lived here for over 36 years now and am very fond of this special enclave of Paddington.
 MOORE PARK is the Residents Park.

I totally agree with all the objections that Clover Moore has expressed along with the PROPOSAL
 for 'ON GRASS PARKING' in our Moore Park.

KIPPAX LAKE ...(is in the middle of this proposed dirty parking area)

* YOU have already been sent PHOTOS with our previous Objections of the actual

* SWANS WHO LIVE AND BREED on this lake for years and years

* these swan families are unable to breed in Centennial Park as that area is over run by
 geese and ducks who would KILL their signets !

* REMINDER SWANS ARE PROTECTED please google them and please be informed.

To have cars parking and noise and air pollution around our Swans Breeding Area is totally disgraceful
 and unforgivable 'Your Position of POWER is supposed to be to 'PROTECT' ... be decent and honest
 and please protect these beautiful birds. * There are NO OTHER AREAS around here for them to use.

* THEY WILL ALL DIE because of this indecent proposal !!! PLEASE HELP. Show some respect for nature.

MOORE PARK PROPER Hello please read attached below just a few more observations from a local's heart ..

* Moore Park is our children's 'only safe space' to play sport, cricket, football and base ball.

* They also learn to fly kites there too especially on weekends and public holidays ..
 when proposed stadium is in full swing.

* Children learn to ride bikes and learn to skateboard there also ...(IT IS OUR 'ONLY PARK AREA')

* Locals race and jog there, the road is too dangerous people exercise there on a daily basis.

* Locals also walk there dogs there, some twice a day there is a huge dog ownership in our area
 and there is nowhere else for them to do this safely and peacefully.

* Everyone uses this park WHY ruin it? WHY stop our authentic Park Land usage " WHY?

PLEASE PLEASE PLEASE Be Kind and Be considerate to Local Rate Payers ...

of which I am one of past 37 Years;
