

Cricket NSW Development: Application number SSD-10354

To whom it may concern,

The NSW Combined Catholic Colleges (NSWCCC) strongly supports the Community and Cricket Centre of Excellence at Sydney Olympic Park.

The new State of the Art development will have a strong community focus with the multi-lane indoor centre available to school groups and representative teams.

And the location of the centre at Sydney Olympic Park is the demographic centre of Sydney, making it more accessible to our many schools in Sydney's Western Suburbs.

Cricket is an important part of our school sports program and significant driver over summer to encourage our students to stay fit and healthy.

Ours schools will have the opportunity to enhance our students' skills and their interest in sport thanks to this new centre.

This is particularly so for the rapidly growing number of our female students showing an interest in cricket.

That interest could be enhanced with the opportunity to train alongside some of the best male and female cricketers in NSW and Australia.

NSWCCC commend this development.

For further information please contact Troy Nuske, NSWCCC Cricket Convenor on 0421847041 or via email [troy.nuske@syd.catholic.edu.au](mailto:troy.nuske@syd.catholic.edu.au)
