**Re: Application number SSD-10354 – Cricket NSW Wilson
Park Development at Sydney Olympic**

Dear Mr Fetterplace

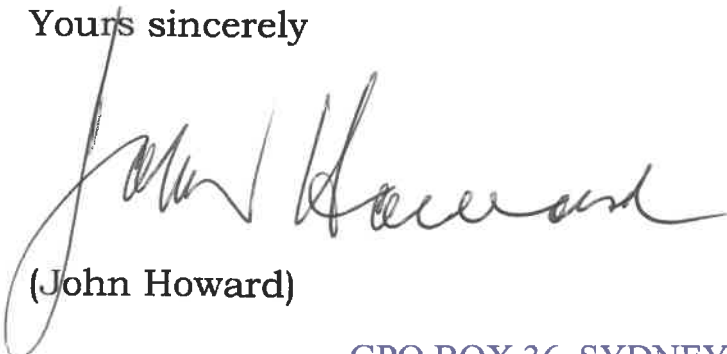

I write to support Cricket NSW's application to develop Wilson
Park at Olympic Park.

As Patron of Cricket NSW, I've watched this organisation
continually grow and become one of NSW's great professional
sporting bodies. Their plans for this development will mean that
NSW cricketers, both men and women, will continue to develop
into the best possible athletes they can become. Importantly, it
will ensure that NSW continues to produce successful teams and
the bulk of Australia's leading cricketers.

Given that the Moore Park Indoor Centre (now demolished)
catered for 35,000 club and community users every year, I'm
sure the Wilson Park facility, located in the geographical heart of
Sydney, will be used by many more.

Since the 2000 Sydney Olympics, Olympic Park has been the
home of sport in NSW and this proposed facility will enhance the
whole precinct.

Yours sincerely
