

Moriah College Traffic and Parking Plan -TTPP

[revised November 2017]

The current Plan approved by the College and Waverley Council calls for compliance by the College, including staff, students and parents, with a set of rules of significance to Precinct residents. These include:

- Parking , stopping, dropping off or picking up children is not permitted on either side of Queens Park Road or on any of the streets adjoining Queens Park Road (Alt St, Denison St, O’Sullivan Lane, Manning St or Newland St.) either during, before or after school.
- Parking across driveways or Double Parking is not permitted.
- Parents are actively discouraged from using private transport to drop off and collect students and are encouraged to car pool when they do so.
- All students arriving by private transport are required to use the established “go-with-the flow” and internal ring road facility both of which have prescribed rules set out in the new plan.
- Students may only cross Baronga Ave. and Queens Park Road at the designated pedestrian crossings.
- Only Year 12 students are permitted to drive to school and they must register their vehicle’s number plate with the College to do so.
- The no parking zone for students in the Precinct is clearly described on the approved plan as: [away from the area bounded by Queens Park Road, York Road, Birrell Street North and Bourke Street east]

Complaints about non-adherence to these rules may be made by residents to the College:

Details of approved methods can be found on the **website** of the College under ‘Contact Us-Complaints section, (<http://www.moriah.nsw.edu.au/Contact-Us>) viz

The current approved **Plan of Management** for the College sets out the basis for the TTPP and specifies how the College must record details of all complaints received. All such will be provided to the Council and periodically to the ongoing Consultative Committee meetings with the Precinct representatives. Parties lodging complaints or providing feedback to the College need not provide their names if they do not wish to but should specify the nature and timing of the matter in question.
