NSW Department of Planning, Industry and Environment
Submitted via online portal

Dear Major Projects Team

I lodge Western Sydney University's submission to the NSW Government draft Environmental Impact Statement (EIS) for Powerhouse Parramatta.

The University's submission covers a comprehensive range of benefits that will be delivered through Powerhouse Parramatta, including much-needed jobs, education programs, liveability and cultural equity for Western Sydney.

Please contact my office on +61 2 9683 8122 should further information or clarification be sought.

Sincerely,

A handwritten signature in black ink, appearing to read "DKirkpatrick".

Professor Denise Kirkpatrick
Acting Vice-Chancellor and President
